

COLIE

Ring for spotlight fittings

COLIE DTO-W	26740	max 35	matte white	in one axis	15
COLIE DTO-G	26741	max 35	gold anodised	in one axis	15
COLIE DTO-AL	26742	max 35	aluminium	in one axis	15
COLIE DTO-B	26743	max 35	black matt	in one axis	15
COLIE DTO-GR	26744	max 35	grey	in one axis	15

The Kanlux COLIE decorative rings will allow making very original arrangements in each house. They are characterized by elegant and original design ensuring, at the same time, discrete distribution of light. The COLIE series is intended for building in a ceiling. They work well as additional lighting both at homes, in bars and in restaurants, in places where you want to emphasize an interesting arrangement of a room.

- Enclosure material: aluminum alloy
